

## MARC Learn to Swim

Welcome to the MARC and the **2011 Summer Season** of our Learn to Swim Program!

The primary purpose of the American Red Cross Swimming Program is to help people of all ages learn to be safe when they are in, on, or around water. The program covers skills and knowledge in a logical progression for aquatic skill development. As participants develop these skills, they will become safer and better swimmers.

We offer a total of five two-week sessions beginning **Monday, June 13<sup>th</sup>**. **Classes are held Monday through Thursday**. Friday is a make-up day only if MARC cancels class.

\*All classes are taught by a Red Cross Certified Water Safety Instructor.
